MY WEEKEND AT THE BEACH

Last weekend, I had a wonderful time at the beach with my family. We decided to go to Pangandaran Beach because the weather was sunny and perfect for a short holiday.

We left home early on Saturday morning. The trip took around five hours by car, but it was fun because we sang and talked along the way. When we arrived, the beach was already crowded, but it was not too hot. My little brother was very excited to play with the sand.

We swam in the sea, built sandcastles, and took a lot of pictures. I also tried banana boat riding for the first time—it was a bit scary, but really exciting! In the evening, we had grilled fish for dinner. It was fresh and delicious.

We went home on Sunday afternoon. I was tired but happy. It was a memorable weekend, and I hope we can go back there again.
