### Review of Daniel Craig's last James Bond film, *No Time to Die*

★★★★★

Many James Bond films are <sup>1</sup> ..... on novels by Ian Fleming, but this one was written specially for the film. The <sup>2</sup> ..... includes Daniel Craig as the retired (!) James Bond, along with Ralph Fiennes as M, Ben Wishaw as Q, and Léa Seydoux as Madeleine.

The film is <sup>3</sup> ..... in Italy and on a remote island, and the scenery – as always in James Bond films – is stunning. There are the usual action-filled car chase <sup>4</sup> ..... , which are always fun, as well as some more emotional ones, for example, when Bond is with his girlfriend – and her young child. The <sup>5</sup> ..... is unexpected! I wouldn't call it a <sup>6</sup> ..... as such, but there are certainly some surprises!

As for the <sup>7</sup> ..... , well, it's the usual James Bond suit and nothing else very exciting. The <sup>8</sup> ..... is as great as ever, with dramatic music throughout and the well-known James Bond theme, though unfortunately, we never actually hear the full tune!

**B**  Choose the correct word to complete the sentences.

- 1 I have to put the **soundtrack** / **costumes** / **subtitles** on when I watch a film because I can't hear very well.
- 2 My current favourite series is **cast** / **set** / **based** in Sweden – it's a 'Scandi noir' murder mystery.
- 3 I love a good **twist** / **ending** / **set** in a film or novel – it's exciting to find out what happens next.
- 4 I thought the **cast** / **scene** / **set** was brilliant. The main actor doesn't usually play mean characters!
- 5 I loved the **ending** / **scene** / **subtitle** where James meets the new 007. It makes you wonder what's going to happen.
- 6 It annoys me when they make a film **subtitled** / **based** / **set** on a best-selling book and then change the ending!
