

Building Arguments

Khi tranh biện, em cần xây dựng được những lập luận thật rõ ràng. Trước tiên, em phải chọn được các lập luận hỗ trợ tốt cho lập luận chính của mình. Sau đó, hãy tìm những dẫn chứng củng cố cho từng lập luận hỗ trợ đó. Cuối cùng, em cần giải thích vì sao lập luận của đối thủ lại không đúng. Đó gọi là phản biện.

Main Argument

Answers: p 131

Children should be allowed to use social media sites.

Let children use social media sites if they want to!

26

Cindy

Social media sites are great because they let kids find other kids who have the same interests. This way, kids can develop their skills and make new friends easily. For instance, I like writing stories. I can be friends with other kids who also like to write stories. This makes me feel happy because I can get opinions from other kids who like writing stories as well.

Summary

It is Cindy's opinion that social media sites let kids their skills and make friends with the same .

You're wrong! Kids are too young to use these sites!

27

Evan

Letting kids use social media sites is a bad idea. Kids are too young to know how to use these sites wisely. They can make bad friends who might get themselves in trouble. They can also be bullied by others. For example, cyber bullying is a big problem on these sites. Kids will not have these problems if they don't use social media sites at all.

Summary

Evan is sure that kids are too to use social media sites and can make friends.
