arrive listen go stay help begin finish walk have play work

Yesterday, I breakfast at 7 am and I to school by bus. I hard in class and at midday, I to the park with my best friend. We there for a while and we to music. We also working on our history project. I home at 5 pm and I the guitar. At night, I my parents with dinner and the washing-up. I my day at midnight. I was exhausted!

1

I didn't like the documentary. It too long and the facts interesting at all.

2

The last *MTV Specials* great. All my favourite singers there.

3

I really enjoyed the new film by Steven Spielberg. The tricks super real and the music outstanding!

4

The last three episodes good. I prefer the previous season. It incredible!
