I just got a new Stanley Cup! It's so shiny and perfect. I can't believe it's mine. I've always wanted one. It will keep my drinks cold. I can take it to work, the gym, and on trips. It's very strong and well-made. I'm really impressed with how it looks.

The color is great, too. It's my new favorite cup. I can't wait to show it to my friends and family. They will be so jealous.

I don't like my Stanley Cup. It's too  
\_\_\_\_\_ (1), the colors are  
\_\_\_\_\_ (2) and the design is  
\_\_\_\_\_ (3). It doesn't fit in my  
car's cup holder. I think it is too  
\_\_\_\_\_ (4) for a water bottle.

I love my new Stanley Cup! It's so  
\_\_\_\_\_ (5) and keeps my drink  
cold. I take it everywhere. I brought it  
to work and everybody liked it. I'm  
happy with the price I paid.

I'm not sure if I like my new Stanley  
Cup. I think it's easy to take to work,  
but my mother thinks it's too  
\_\_\_\_\_ (6). I'll keep using it until  
I decide.

My new Stanley Cup makes me very  
happy. I remember seeing it in the  
store and knowing I had to have it. I'm  
so glad to have such a  
\_\_\_\_\_ (7) cup.
