True/False*Indicate whether the statement is true or false.***Read the passage. Read each sentence. Decide if the statement is T (true) or F (false).**

My older brother has four children: two girls and two boys. For Christmases and birthdays, I like to buy them something to wear. Shopping for the girls is a lot of fun. There are many things I can buy for them; for example, skirts, dresses, pants, shorts, and shirts. Shopping for the boys is a little dull. Boys just have shorts, pants, and shirts. Recently, I bought my nieces two pretty skirts and tops. They loved them! I got the boys sweaters and pants. They looked at me and said, "Thanks, auntie." But I think next holiday I will buy them toys instead

- _____ 8. This passage is mainly about Christmases and birthdays.

Hey Vic!

Thanks for asking about my birthday yesterday. It was great! I got just what I wanted—a lot of clothes! My grandmother gave me a pink top and a cool pink watch! That's my favorite color. My aunt got me orange shorts and a T-shirt. My sister bought me red and black running shoes and a gray sweatshirt. A sweatshirt is great for running on cool days. And my mother had the best idea. She gave me some money for clothes, so I can get what I really want. I want to get a bright red coat for this winter. I can't wait to go shopping on Saturday! Want to come?

See you later!
