

## Activity 1: Reading and Matching

**Instructions:** Read the situations and match each one with its correct consequence.

### Reading Text:

In class, we must follow rules. If we don't, there are consequences.

1. If a student talks during the explanation, \_\_\_\_\_
2. If someone throws paper on the floor, \_\_\_\_\_
3. If a group disrespects the teacher, \_\_\_\_\_
4. If nobody brings their materials, \_\_\_\_\_
5. If a student bullies another, \_\_\_\_\_

### Options:

- A. the teacher gets upset and gives a warning.
- B. the class can't do the activity.
- C. the classroom gets dirty and untidy.
- D. the victim feels afraid or sad.
- E. the rest of the class can't concentrate.

---

### ♦ Activity 2: Fill in the Blanks with Zero Conditional

**Instructions:** Read the sentences and complete them using the **zero conditional**:

**If + present simple, + present simple.**

### Text:

In our classroom, things work better when we follow rules.

If someone \_\_\_\_ (arrive) late, the class \_\_\_\_ (start) late.

If students \_\_\_\_ (respect) each other, everyone \_\_\_\_ (feel) safe.

If we \_\_\_ (not do) our homework, we \_\_\_ (not learn) well.

If we \_\_\_ (listen) to others, we \_\_\_ (understand) their opinions.

---

◆ Activity 3: True or False + Correction

**Instructions:** Read the text and write **True** or **False** for each statement. If it's false, correct it.

**Reading Text:**

A classroom with no rules is a place of chaos.

If students shout during class, others can't learn.

If no one takes care of the materials, they get damaged.

When students follow the rules, everyone learns better and feels respected.

**Statements:**

1. If students are noisy, others can learn better. \_\_\_\_\_
2. Materials stay perfect if nobody uses them. \_\_\_\_\_
3. A class without rules is very organized. \_\_\_\_\_
4. Respecting rules improves the learning environment. \_\_\_\_\_

---

◆ Activity 4: Complete the Chart

**Instructions:** Read the situations and classify them as **positive** or **negative**.

Then, write a zero conditional sentence for each.

**Situations:**

- Students help each other with classwork.
- A student shouts insults at classmates.

- Everyone cleans their desks after class.
- Someone refuses to participate in group work.

Situation	Positive or Negative	Zero Conditional Sentence
e.g. Students help each other with classwork	Positive	If students help each other, they learn more.

- ◆ Activity 5: Writing – Advice Using Zero Conditional

**Instructions:** Write a short paragraph (5–6 sentences) giving advice about classroom behavior. Use **at least 3 zero conditional sentences**.
