

I Will Survive – Gloria Gaynor

- But then I _____ so many nights thinking how you _____ me wrong
- And I _____ strong
- At first I _____ afraid, I _____ petrified
- Kept thinking I could never live without you by my side
- And I _____ how to get along

- And so you're back from outer space
- I should have _____ you leave your key
- I just _____ in to find you here with that sad look upon your face
- I should have _____ that stupid lock
- If I'd have known for just one second you'd be back to bother me

- _____ you think I'd lay down and die?
- Go on now, go, walk out the door
- Just turn around now, 'cause you're not welcome anymore
- _____ you think I'd crumble?
- Weren't you the one who _____ to hurt me with goodbye?

- And I'll survive
- Oh no, not I, I will survive
- I've got all my life to live
- Oh, as long as I know how to love, I know I'll stay alive
- I've got all my love to give
- I will survive
- Hey hey

- It _____ all my strength not to fall apart
- Trying with all my might to mend my broken heart
- I _____ so many nights feeling sorry for myself
- How I _____
- But now I hold my head up high
- And you see me, somebody new
- For someone who's loving me
- I'm not that lonely little person
- Still in love with you
- Now you come droppin' in
- Expectin' me to be free
- Now I'm saving my lovin'
