Harry's favourite writer is Roald Dahl because the characters in his books are \_\_\_\_\_ than most other characters. Dahl is one of the \_\_\_\_\_ authors in the UK. Harry also enjoys traditional and modern fairy tales. At the moment, he's reading an \_\_\_\_\_ story with some interesting characters. A magician is the \_\_\_\_\_ character because he's probably the \_\_\_\_\_ magician in the world, but Harry likes him because he's \_\_\_\_\_.

The other main character is a princess. She is \_\_\_\_\_ than all the other characters, but she's \_\_\_\_\_ than the magician.

It's a very good story and it has many illustrations, too.

5.- Read the text and answer the questions.

Hi Charlie,

Would you like to come to our new show at school? It's a funny fairy tale with lots of familiar characters, but it isn't a traditional story because it's a modern fairy tale. The princess is very clever and she's strong and brave, too. The prince isn't clever – he's lazy and mean, and the princess doesn't like him. The hero of the story is a magician. He's more hard-working and more generous than the prince, and the princess likes him more than the prince! There aren't any dwarves or wolves in the story. There's a little girl called Willow. She's very naughty and selfish. There's also a little boy called Timothy. He's kinder than the girl. He's got a puppy called Spot. I hope you can come to the play. I think you'll like it!

Maya

PS I'm the magician in the play!
