Addition with Zero (0)

Look and understand :

3 + 0 = 3

0 + 2 = 2

It's clear from the above figures that when zero is added to a number, the number remains the same.

Now based on the above concept, fill in the boxes :

5 + 0	=		25 + 0	=	
6 + 0	=		0 + 21	=	
0 + 13	=		35 + 0	=	
15 + 0	=		0 + 50	=	
0 + 20	=		40 + 0	=
