A SPECIAL BEEF NOODLES!

Linh enjoys cooking, especially with her grandmother. Last Sunday, they cooked a delicious lunch together — beef noodles! It was her first time helping with this dish, so she was very excited.

First, they cut the beef into thin slices and marinated it with garlic, pepper, and a little fish sauce. Then, they boiled some noodles in hot water. While the noodles were cooking, Linh's grandmother fried the beef in a pan. The smell was amazing!

Next, they added the noodles and some vegetables like cabbage and carrots into the pan with the beef. They mixed everything together and cooked it for a few more minutes. When the food was ready, Linh set the table and poured some orange juice.

Her family ate lunch together and everyone loved the beef noodles. Linh felt happy and proud because she helped make the meal.
