

# THE ADVENTURE OF **Toy** STORY

Woody was a cowboy toy. Buzz and the other toys were his friends.  
They lived in Andy's room.

One day, Woody and Buzz went on an adventure. They climbed a big chair and jumped onto the bed. After that, they played with a ball. Buzz watched TV for a while, and Woody helped Jessie to fix her hat. Later, they cooked some toy food. Buzz ate too much pizza and had a stomach-ache. Woody drank soda and had a headache. Jessie gave Woody some water.

Suddenly, they saw a toy boat. Buzz and Woody started to sail in the bathtub, but Buzz fell and had a backache. Woody took Buzz to the other toys, and they all helped him feel better.
