

B. Count the spots on each of the ladybird's wings. Write the total number of spots :

 $\bigcirc + \bigcirc = \bigcirc$	 $\bigcirc + \bigcirc = \bigcirc$	 $\bigcirc + \bigcirc = \bigcirc$
 $\bigcirc + \bigcirc = \bigcirc$	 $\bigcirc + \bigcirc = \bigcirc$	 $\bigcirc + \bigcirc = \bigcirc$

C. Find the number of beads altogether on each string :

 $3 + 6 = 9$	 $\square + \square = \square$
 $\square + \square = \square$	 $\square + \square = \square$
 $\square + \square = \square$
