

## Building Arguments

Khi tranh biện, em cần xây dựng được những lập luận thật rõ ràng. Trước tiên, em phải chọn được các lập luận hỗ trợ tốt cho lập luận chính của mình. Sau đó, hãy tìm những dẫn chứng củng cố cho từng lập luận hỗ trợ đó. Cuối cùng, em cần giải thích vì sao lập luận của đối thủ lại không đúng. Đó gọi là phản biện.

Mobile phones should be banned at schools.

**I totally agree. Mobile phones are unnecessary at schools.**

Chris

Mobile phones can do many things, like connecting to the Internet and sending text messages. However, students do not need to do any of these things while they are at school. A school already has all the tools that students need to learn. Having a mobile phone will only distract students. Students do not have the ability to keep themselves from using phones during class. So schools should just ban phones instead.

**Summary** Schools already have all the \_\_\_\_\_ students need, so mobile phones are \_\_\_\_\_.

**That's not right. Students need their mobile phones!**

Michelle

Students' phones are their property. If students are not hurting other students with their phones, then they should be allowed to use their phones at school. Mobile phones are an important part of the modern world. Students need to stay connected. Students should be able to contact their parents if they need to. They should be allowed to play games if they want to.

**Summary** Michelle believes that students should be allowed to \_\_\_\_\_ their phones if they do not hurt other \_\_\_\_\_.
