As a result of these delays, many people were not able to get to work on time

They were out of order and the traffic moved very slowly

This created long delays in the roads to the city's business district

Therefore, there were not further delays for people going back home.

Fortunately, in the evening, the traffic lights were working again

In the 1980s, she finally returned to China and still lives with her Shanghai husband, George Wang

At that time, Shanghai is a city filled with many people from different countries

She was born in Shanghai in 1933 to an American mother and a father from Scotland

However, she missed China, and applied for a job in Hong Kong, where she taught from 1959 to 1972, and learnt to speak Cantonese, the local language

After she finished her school, she went to Wellesley College, a famous university in USA

In order to choose the right place, you need to consider several factors

The first and most important thing is to choose the location

Other factors to look at are the place of employment, shops and schools

Such requirements of course depend on your personal circumstances

The most important of these to look at is the price of homes

All you need is some earth, an old potato and a big spot

When you've done this, you should water it everyday and place it in a sunny spot

With this care, you should see a potato plant growing after couples of weeks

An old potato will have little roots, will be a little green, and won't be good for eating

This colour means it is perfect for growing, you should put some earth in the pot and dig it deep down
