Yes! I can play the guitar. I'm not perfect, but I practice every week.

I'm a student, but I also help at my family's bakery. It's fun and busy!

It's exciting! I decorate cakes and serve customers. Sometimes it's tiring, but I love it.

I can speak two languages, and I'm good at drawing. I also love dancing!

Of course! I'm patient, and I can show you some easy designs.

The best part is seeing happy customers. It makes me proud!

No, only on weekends. School is important, so I study hard too.

I'm friendly and creative. I like talking to people and making delicious desserts!

I'm good at math, and I can run fast. I'm on the school soccer team!
