## How Tom Makes a Pizza!

Tom loves cooking, and his favorite food is pizza. Every Saturday morning, he makes pizza with his sister Anna. They always have fun in the kitchen.

First, they prepare the dough. They mix flour, water, and a little salt in a big bowl. Then, they knead the dough until it is soft. After that, they roll it into a round shape.

Next, they add tomato sauce and spread it all over the dough. Then, they put cheese on top. Tom loves cheese, so he adds a lot! After the cheese, they add some mushrooms, onions, and sausage slices. Sometimes, they also put some corn or green peppers.

When the pizza is ready, they put it into the oven. They bake it for about 20 minutes. While they wait, Tom and Anna clean the kitchen. When the pizza is done, they take it out and let it cool for a few minutes. Then they cut it into pieces and eat it together with their parents. It's hot, cheesy, and very delicious.
