Send	Subject: Food in the kitchen
<p>Hi Jenny,</p> <p>I've left enough food in my apartment for the first three days of your stay. You'll find everything in the kitchen. There are some cans of tomatoes in the top cupboard next to the cooker and a box of spaghetti. You can use the tomatoes and the spaghetti to make spaghetti Bolognese if you like. You'll also find a bottle of cooking oil in a small cupboard next to the fridge. If you look in the fridge, you will find a carton of milk and a whole chicken. There is also some fresh vegetables in the bottom of the fridge that you can have with the chicken. I will be back next Friday. If you have any problems or questions before then, just call me or send an email.</p> <p>See you soon, Jane</p>
