Baby found at City Hall

by Sarah Leung

The police are looking for the mother of an abandoned baby girl. The child was found at 6 o'clock yesterday morning on the steps of City Hall by a cleaning lady. The cleaner, Nancy Wu, said, 'I was opening the door when I heard a cry. Then I saw a baby in a basket. I didn't see anybody else.'

Mrs Wu picked up the baby and called the police. The girl was taken to City Hospital. Doctor Ben Chang told me, 'The baby is small, but healthy. We think she is about a week old. The nurses here have given her a name — Hope. We all hope that mother and baby will soon be back together.' → Read more on page 18.
