

UNIT 36 – NATURE & THE UNIVERSE

Part 1: Multiple Choice – Choose the best answer

Circle the correct option (A, B, C, or D).

- 1. The car blew up after the crash.
A. disappeared B. exploded C. moved quickly D. broke down
- 2. He put down the heavy bag and sat on the bench.
A. carried it B. dropped it C. stopped holding it D. threw it
- 3. They managed to put out the fire before it spread.
A. hide B. start C. make it burn more D. stop it from burning
- 4. We were told to keep out of the room.
A. enter slowly B. wait outside C. not enter D. walk in quietly
- 5. Traffic is getting worse because cars are building up on the road.
A. going away B. increasing C. stopping D. burning

Part 2: Fill in the gaps

Write one correct phrasal verb or prepositional phrase in each blank.

(Use these words: **blow up**, **go out**, **clear up**, **at most**, **in the beginning**, **on top of**)

1. I didn't enjoy the book _____, but it became more interesting later.
2. Could you help me _____ the room before the visitors come?
3. There are 15 students in this group, _____.
4. The fire will _____ if there's no more wood.
5. She put the painting _____ the fireplace.

Part 3: Matching – Match the phrases to their meanings

Write A–E next to the correct number.

Phrase	Meaning
1. go out	A. to tidy or make clean
2. build up	B. to stop burning
3. clear up	C. to be above something
4. on top (of)	D. to become more
5. in the distance	E. far away but still visible

Part 4: Rewrite the sentences

Rewrite each sentence using a phrase from the list. Use correct grammar and keep the same meaning.

(Use: ***blew up, at most, keep out, built up, in the distance***)

1. The gas tank exploded.

→ The gas tank _____.

2. You can take four pens, but not more than that.

→ You can take _____.
