READING

My week

My name is Si-woo, and I'm from Seoul in Korea. I work from home. My job is also my favourite activity. I bake cakes and then I sell them online. I make lots of videos about them and people around the world watch them! I also make bags from old clothes. Baking cakes is fun and I love making things and upcycling, but I don't want to stay at home all the time. At the weekends, I usually go out and see my friends. We play video games together or we go to the cinema. Sometimes, I take the train to Guri and I visit my sister and her husband. Guri is beautiful and I like being outdoors with my sister. We sometimes take the bus to Jangja Lake Park and go for long walks together. We take lots of photos of trees, birds and animals.
