MID-TERM TEST - 2025

READING

1. Read the text. Match the information with the people. Write T (Tania) or R (Rob).

1 I work in a hospital.
2 I work in an office.
3 I'm in Australia.
4 I have a cat.
5 I live in an apartment.

Our different lives

My name is Tania and I'm 26 years old. My best friend is Rob. We're friends from university, but we have very different lives. I'm a nurse in a hospital. The money isn't good, but I'm very happy with my job. The hospital is two kilometres from my house. It's easy for me!
Rob is very different. He's a businessman in different countries in the world. He's in Australia this week. I don't have a passport! Rob's happy with his job, too. The money is great.

My house is small, and I have a cat. Its name is Lola and it's beautiful. Rob has a big apartment. He has lots of things: laptops, phones and a new bike, but I'm happy with my cat!

2. Read the text again. Are the statements True (T) or False (F)?

1 The money isn't good in Tania's job.
2 Rob and Tania are happy with their jobs.
3 The money isn't good in Rob's job.
4 Tania has a big house.
5 Tania's cat is beautiful.

3. Read the text. Choose the correct words to complete the sentences.

1 Olivia's job is **good** / **bad**.
2 Olivia's husband is from **Poland** / **Britain**.
3 Olivia's **apartment** / **house** is in the city.
4 Sonia's husband is an **digital designer** / **artist**.
5 Sonia is **happy** / **sad** she's friends with Olivia.

My good friend

I'm Sonia and my good friend Olivia is from my job. We are digital designers. Our jobs are great!

Olivia is 36 years old and she has a small family. She's married and she has a daughter. He daughter is eight years old. Olivia is British and her husband is Polish. They live in a big apartment in the city.

My family is big. I have three children. They are fifteen, twelve and ten years old. My husband is French and he's an artist. We have a big house in a small town near the city.

Olivia is a very nice person. I'm happy she's my friend.
