

Hello, we are Sophi and Anny from France! People in France like holidays. We celebrate Christmas and New Year, Easter and Mother's Day. Our favourite holiday is Mother's Day! It's in May. We give presents to our mums. Our mom likes flowers. We always go to the park together and have a picnic there.

Hi, we are Joe and Jane from the USA! People in the USA like holidays. We celebrate Halloween and New Year, Easter and Mother's Day. Our favourite holiday is Halloween! It's in October. We decorate our house, put on costumes and eat a lot of sweets! We don't give presents for Halloween, only sweets.
