4.Everyone uses their car in my city because there _____ public transportation.

5.It's difficult to breathe in this city because there is _____ pollution.

6.In my city, there _____.

B. Unscramble and write the words to complete the text.

LIVING IN SMALL SPACES

As part of my "How We Live!" project, I've visited people who live in small spaces. Sally lives in a very small apartment with her family. She doesn't like it because there

1 _____ (too / people / are / many) in a small space.

There **2** _____ (rooms / aren't / enough) in the apartment, so Sally doesn't have her own bedroom.

Sally wakes up very early because there **3** _____ (too / is / noise / much) from cars outside her window.

In her old house, Sally played soccer in the backyard with her friends. Now she has to play in the park, but there **4** _____ (time / enough / isn't) to go there every day.

Sally loves animals, so she's sad that there **5** _____ (wildlife / enough / isn't) in the area.

She thinks this is because there **6** _____ (too / is / pollution / much).

She hopes that one day she will live in a house in the countryside.
