II. Read the passage and then decide if the statements are true (T) or false (F).

I live in a house near the sea. It's an old house, about 100 years old, and it's very small. There are two bedrooms upstairs but no bathroom. The bathroom is downstairs next to the kitchen and there's a living room where there's a lovely old fireplace. There's a garden in front of the house. The garden goes down to the beach and in spring and summer there are flowers everywhere. I live with my parents, and we have a lot of visitors. My city friends often stay with me. I love my house for many reasons: the garden, the flowers in summer, the fire in winter, but the best thing is the view from my bedroom window.
