THE FIRST WOMAN SCIENTIST

Hypatia was born in Alexandria, in Egypt, in 370 A.D. For many centuries she was (1) only woman scientist to have a place in the history books. Hypatia's father was director of Alexandria University, and he (2) sure his daughter had the best education available. This was unusual, as most women then had few (3) to study.

After studying in Athens and Rome, Hypatia returned to Alexandria (4) she began teaching mathematics. She soon became famous (5) her knowledge of new ideas. We have no copies of her books, (6) we know that she wrote several important mathematical works. Hypatia was also interested in technology and (7) several scientific tools to help with her work.

At the (8) many rulers were afraid of science, and (9) connected with it was in danger. One day in March 415, Hypatia (10) attacked in the street and killed.

III. Read the text and choose the best answer.

If you want to take the whole family on holiday, and keep everybody happy, then I have found just the place for you. I recently went with a group of friends to stay at the Greenwood Holiday Village, which is open from May until October.

Built in the centre of a forest, Greenwood is a great place to stay whatever the weather. Its main attraction for families is the indoor World of Water, where young and old can have fun in the different pools. Some of these, however, are for serious swimmers only.

For sporty people, the Country Club offers tennis, squash and badminton. If your children are too young to join in these sports, there are activity clubs. Greenwood is a good place for families as it is traffic-free – you explore on foot or by bike. Some people complained that this was inconvenient, but I was pleased to be out in the fresh air. For evening entertainment, there are shows and cinemas.

Accommodation is in a variety of apartments of different sizes. These have up to four bedrooms, a kitchen and a bathroom, as well as a dining area. Before going, I thought the apartments might not be big enough for all of us, but I was pleasantly surprised – it was not too crowded at all.

I'll definitely go back to Greenwood next year. Why don't you give it a try? Visit their website for further information now!
