
I hear your _____ whispered on the _____
It's a sound that makes me _____
I hear a _____ blow again and again
Through my _____ and I don't know why
I wish I didn't feel so _____ about you
Like happiness and _____ revolve around you
Trying to catch your _____
Is like trying to catch a _____
So many _____ love you, baby
That must be what you _____
Waiting for a _____ to fall
And carry your _____ into my _____
That's where you _____
In my _____, baby, yeah
I've learnt to feel what I cannot _____
But with you, I lose that _____
I don't know how to _____ your dream
So I'm all caught up in the _____
I want to reach out and _____ you to me
Who says I should let a _____ one go free
Waiting (however _____)
I don't like _____ (I'll wait for you)
It's so hard _____ (don't be too long)
Seems like _____
Makes me love you even _____

_____ a star to fall
And carry your _____ into my arms
That's where you _____
In my _____, baby, yeah
