Dear students,

All homework is now online. You need to download the **internet / software** to use the online homework at home. **Check / See** online every day to find homework from your teacher. **Switch on / Open** the file your teacher leaves for your class and do the exercises. When you finish your homework, **save / look after** your file and send it to your teacher.

Today's homework is: **Look for / Search** the internet for information about our solar system and **create / do** a file with ten questions to ask the rest of the class.

Please speak to me if you have any problems.

Mr Harrison
