

GRAMMAR TRANSLATION METHOD

Reading Comprehension Activity

Circle the correct options

What is the GTM?

1. The Grammar Translation Method focuses mainly on improving students' speaking and listening skills through real-life conversations.
2. In the Grammar Translation Method, teachers avoid using the students' native language and only speak in the target language
3. The Grammar-Translation Method is not new. It has had different names, but it has been used by language teachers for many years. At one time it was called the Classical Method since it was first used in the teaching of the classical languages, Latin and Greek.

2. What is the role of the teacher? What is the role of the students?

1. The roles are very traditional. The teacher is the authority in the classroom. The students do as she says so they can learn what she knows.
2. The teacher acts only as a facilitator, allowing students to decide what and how they want to learn.
3. Students work independently to discover grammar rules without any guidance from the teacher.

3. How are the feelings of the students dealt with?

1. There are no principles of the method which relate to this area.
2. The method encourages students to express their emotions freely during class activities.
3. Teachers regularly adapt lessons to match the students' emotional needs and feelings.

4. which one of these are techniques?

1. Antonyms/Synonyms
2. Cognates
3. Memorization
4. All are correct

5. The composition technique consists in:

1. Students choose any topic they like and write freely.
2. The teacher never connects writing topics to the reading passage.
3. The teacher gives the students a topic to write about in the target language. The topic is based upon some aspect of the reading passage of the lesson. Sometimes, instead of creating a composition, students are asked to prepare a precis of the reading passage.
