WEATHER & SEASONS

Task 1. Seasons. Read and choose seasons.

The weather gets warmer and sunnier. The sun shines often. Plants and trees start to grow. Flowers grow in the garden. Birds sing in the trees. The trees have new green leaves. People go for walks in the park. Many animals get their babies. The day and night are the same length.

It is the warmest and sunniest time of the year. It is hot outside. The sun is very strong. People wear T-shirts and shorts. Children swim in the pool or the sea. Families go to the beach. People eat cold food like ice cream and watermelon. There is much fruit on trees and plants. Animals grow stronger and bigger. The days are the longest in the season.

The leaves get coloutful and fall from the trees. The weather gets cooler. The wind blows. Leaves change from green to yellow, orange, and red. Leaves fall on the ground. People wear jackets and boots. It often rains.

The weather is colder and there is lots of snow. Plants and trees stop growing. Some animals sleep. Children play in the snow and make snowmen. People wear warm clothes like coats, hats, and gloves. It gets dark early. People drink hot drinks and stay inside.

Task 2. Weather. What's the weather like in...?

rainy	cool	stormy	warm	cloudy
hot	snowy	cold	sunny	

It's sunny and hot.
