Mia's blog

Saturday, 10 August

Yesterday I went shopping with my friends.
We saw so many cool clothes! I love looking at teenage fashion because I'm interested in style. One day I want to be a famous fashion designer – or a model!

The photos on my phone are from this summer. The most popular look is oversized T-shirts, wide trousers and colourful trainers. My best friend Emma was wearing a pink hoodie, baggy jeans and white trainers. Very casual!

I also bought a new outfit for a party. I got a black skirt, a crop top and a denim jacket. My sandals are white, and I wear them with short white socks – just like in the photos.

Teenagers today love streetwear and comfortable clothes. We also like listening to K-pop and hip-hop music.
My mum says these clothes are too casual, but I think they are amazing!
