### My writing day

Most writers have their own rules about how they work, and I'm no different. My alarm goes (28)\_\_\_\_\_ at 5.00 am, I shower to wake myself up before heading to the office five minutes away. On my way, I buy a cup of coffee and I'm normally ready to begin (29)\_\_\_\_\_ at 5.30. (30)\_\_\_\_\_ than write for a fixed amount of time, I aim to produce a page of writing every day. It might take 20 minutes, but frequently it's much longer before I finally get (31)\_\_\_\_\_ with my proper job. I'm a lawyer, but to be honest, I've never really enjoyed it. I see it as a step in the right direction because there is so much wasted time around the office that I get opportunities to write I (32)\_\_\_\_\_ not normally have. My job also gives me the discipline necessary for writing, so I should be grateful to it for that at least.
