Hi Pisey,

How are you? I have arrived in Phnom Penh now. I am staying at Moon Hotel near the riverside. It is only 500 meters from the Royal Palace. I like the hotel. It is easy to get what I want around here. It is nice to spend some time at the riverside. I like to take a boat ride, and eat a snack on the boat. Cambodia is a nice country. It's a little bit different from my country. The people are very nice, too. By the way, can we meet some time this week? Please let me know.

Take care.
