Hi Lorena and Bill,

We're having a lot of fun in Canada with our friends. Victoria is a beautiful city. Last weekend we went camping <sup>1</sup> near the ocean. It was great. We on Saturday, and we <sup>2</sup> on Sunday. Roger and I even <sup>3</sup> : zip-lining. You go through the air from tree to tree! It was exciting!

This week, we're staying in a nice hotel. We had dinner at a very nice restaurant in the hotel last night. I <sup>4</sup> . I ate broiled rainbow trout with fiddleheads and rice. Rainbow trout is a delicious fish. Fiddleheads are an exotic vegetable. I even <sup>5</sup> at the hotel with Barbara. Can you believe it? It was very <sup>6</sup> relaxing. Roger and Tim didn't go.

I have to say good-bye now. We're going to an amusement park in Vancouver, a big city near Victoria. I can't wait to ride the roller coasters!

Write soon,

Mary
