3. Read and choose:

Rose is a nurse. She works in a hospital. Every morning, she always gets up early. She never has breakfast at home. Rose often rides her bike to work and has breakfast in the hospital canteen. After work, she goes to the market to buy some food. Then she goes home to cook dinner. In the evening, she often watches TV. Rose doesn't work at the weekend. On Saturday morning, she usually goes to the swimming pool. She can swim very well. In the afternoon, she sometimes goes to the café with her friends. On Sunday morning, she always does housework. Rose often goes to the shopping mall in the afternoon. In the evening, she usually visits her grandpa. She has dinner with him, then they often play chess together.
