**Importance of Hygiene**

Good, clean food is as important as (0) it taste. All food proprietors must follow the requirements regarding hygienic food preparation as outlined (1) from the Ministry of Health. Food Hygiene Regulations (2) is established in 2009 so the public can be assured of food that is of good quality. In addition, (3) consumer are also to be protected against food-borne diseases such as food poisoning. However, many irresponsible owners of food outlets, together with (4) them workers do not comply with all the rules. Some time ago, videos showing very unhygienic preparation of food were spread in social media. (5) An authorities had acted immediately upon identifying the particular premise. We (6) did not know whether hundreds of other food outlets comply with the rules because checks (7) in these places are not done frequently. The best solution is to cook our own food so we know it is hygienically prepared. However, not all of us are good cooks (8) that can come out with dishes that we want to eat!
