

Activity 3: Complete the transcription of wine number 1 with an appropriate word or phrase:

All right so we have moderate red color here fairly opaque.

*Let's see mine number one, okay viscosity is very very good it's going a little
_____ from center to the _____,*

*It's got a little watery _____ which tells me the glycerol is a little _____
probably have some _____ to it*

*Well, it's really _____, and really _____, and really _____, but
really really well crafted.*

I mean, uh it's nicely nicely integrated. This wine seems to be showing some age.

It's got that kind of dried _____, _____, touch of _____, smells like a _____ wine.

I mean that's what it smells like, that's what it's to start with it. Has all the nice parts to to it, and you get down to the bottom of the fruit and there's really really good fruit under there, so I would say this is probably from a fairly significant or very very good _____.

Um and and probably a very high quality _____.

Nice, _____, showing its age a little bit.

I mean the fruit on the palate, already beginning to disappear, has good length.

Now it's a little _____, but not much not very much. It's _____

nothing more than that.

I put it in the northern _____, um I'd say _____ / _____ is kind of what I really I really like cuz it's so peppery and meaty, very high quality producer.

What's the final vintage uh call?

Uh there's some I'll give it _____

That's pretty good Fred that's pretty good.
