

Read the text below. Six sentences have been removed from the article.
Choose from the sentences (A – H) to fit each gap (1 – 6).

HOW TO MAKE MANGO JUICE

I love to drink all kinds of fruit juice. The juice is refreshing as well as healthy. I love pineapple juice but mango juice is the best. During the mango season, I will be making it daily for the whole family. It is not that difficult to prepare my own mango juice like the one I usually order from the shop. (1) _____ In this regard, remember to always do the cleaning up afterwards so no one will complain about the condition of the kitchen.

Let me share with you how I make my own mango drink. (2) _____ The milk makes a healthier drink but you can go without it. First, peel the mango. Take a slice of the mango, cut it into small cubes and put them aside. (3) _____ Next, add in about two tablespoons of sugar. You can put in more sugar if you want a sweeter drink. Then, pour in a glass of iced water and squeeze in half a lemon juice. (4) _____ After that, add a glass of unsweetened milk, either UHT or evaporated. Blend again and if the mixture is too thick, just add in more water or milk depending on your preference. The juice is ready to be served.

(5) _____ Take the mango cubes and place them carefully into the drinks. Finally, put a scoop of vanilla ice cream, if you have any. This is just optional. (6) _____

Making your own is more economical if you wish to entertain your friends. You will also feel the satisfaction that the juice you have prepared has more flavour as well as being hygienically prepared.

- A Blend the mango until fine.
- B Finally, you can enjoy the drink especially on a hot day.
- C Everybody can take a drink.
- D Pour into tall glasses and put in some ice cubes.
- E Slice the remaining mango into chunks and place them into a blender.
- F Prepare all the ingredients that you want.
- G You need 2-3 ripe mangoes, some sugar, milk and lime juice.
- H What you need are the ingredients and some effort.
