LIVEWORKSHEETS

4. My great-grandparents decided to _____ in the countryside when they moved from the city.
A. ancestry B. descend C. settle D. relative
5. We studied our family's _____ to learn where our ancestors originally came from.
A. genetic B. hereditary C. great D. ancestry

II. Fill in the blanks with the correct words in the box. Some words may not be used.

~~*ancestors*~~	hereditary	nephew	niece	great-grandparent	ancestry	relative	settle

Linh is creating a family tree for a school project about her background. She found out that one of her ***(0) ancestors*** came from a small village in the north of the country. Her grandmother also told her about her **(1)** _____, who lived through two wars and had a very interesting life.

Linh has a big family, and she is especially close to one **(2)** _____, her aunt, who lives in another city. They call each other every weekend. Her older sister has a son, so Linh now has a(n) **(3)** _____ who loves asking questions about their family history, even though he's only six.

In her report, Linh writes that some diseases in her family are **(4)** _____, which means they can be passed from parents to children. She ends the presentation by saying she feels proud of her **(5)** _____ and wants to learn more about her cultural roots.

III. Write the correct words based on the definitions and the clues given.

*0. n**ephew***	*the son of your brother or sister*
1. a_____	a person in your family who lived a long time ago, especially before your grandparents
2. r_____	a person in your family, such as a cousin, uncle, or grandparent
3. s_____	to move to a new place and start living there permanently
4. g_____	related to genes or how traits are passed from parents to children
5. g_____-g_____	the parent of your grandparent

IV. Complete the second sentence so that it means the same as the first. Use the word given. You must use NO MORE THAN 5 WORDS.

0. I last saw my cousin two years ago. ***(for)***

→ *I haven't seen my **cousin for two years**.*

1. My family moved here in 2015. **(lived)**

→ My family _____ 2015.

2. This is my first time visiting New York. **(never)**

→ I have _____ before.

3. We started learning about genetics three months ago. **(for)**

→ We have learned about _____.

4. She hasn't seen her nephew since Monday. **(last)**

→ She _____ on Monday.

5. I have known about that family story for two years. **(ago)**

→ I found out about that family story _____.
