

Reading Comprehension

1st & 2nd conditionals

Reading: My Dream Summer

Last week, I started planning my summer holiday. If I have enough money, I will travel to Italy. I think I will visit Rome, Florence, and Venice. If I go to Rome, I will take a lot of photos of the Colosseum and the Trevi Fountain. I'm very excited because I love Italian food. If I eat pizza in Italy, it will be the best pizza of my life!

But I also like to dream about impossible things. If I could travel anywhere in the world without paying, I would visit Japan. I would go in spring to see the cherry blossoms. If I met a famous chef there, I would ask him to teach me how to make sushi. I know this is just a dream, but it's fun to imagine!

In the end, I'll see what happens. If I find a cheap flight, I will book it immediately. And if I don't find one, I will stay at home and save money for next year. But who knows?

Maybe my dream trip will come true sooner than I think!

Speaking time...

1. Where will the writer travel if they have enough money?
2. What will the writer do if they go to Rome?
3. What would the writer do if they could travel anywhere without paying?
4. In which season would the writer visit Japan?
5. What will the writer do if they don't find a cheap flight?

True or False

Read the statements and write True (T) or False (F).

The writer will travel to Italy if they have enough money.

The writer will eat sushi in Rome.

If the writer could travel anywhere without paying, they would visit Japan.

The writer would visit Japan in summer to see the cherry blossoms.

If the writer doesn't find a cheap flight, they will stay at home.
