MAESTRO: JOSUÉ LÓPEZ
FECHA: 16/03/2021

INSTRUCCIONES: Une con una línea las partes de la interfaz de **Paint**.

The image shows a screenshot of the Microsoft Paint application window. The window has a title bar at the top that says "Sin título - Paint". Below the title bar is a ribbon menu with tabs for "Inicio", "Formato", and "Vista". The "Inicio" tab is active, showing various drawing tools like "Pincel", "Borrador", "Lápiz", "Goma", "Formas", "Textos", "Fondo", "Color", "Tamaño", and "Colores". The main area of the window is a large white rectangle. To the right of this area is a vertical color palette. At the bottom of the window is a status bar showing the current zoom level as 100%.

Labels pointing to the components of the Paint interface:

- FICHAS (points to the ribbon tabs)
- GRUPOS (points to the drawing tools in the ribbon)
- PALETA DE COLORES (points to the color palette)
- CINTA DE OPCIONES (points to the ribbon menu)
- AREA DE DIBUJO (points to the main drawing area)
