

PRESENT SIMPLE (DOES / DOESN'T)

Explanation: Present Simple (does / doesn't)

We use the **Present Simple** to talk about:

- **Habits and routines** → I play tennis on Sundays.
- **Facts** → The sun rises in the east.
- **General truths** → Water boils at 100°C.

1. Affirmative

Formula: Subject + base verb (+ -s / -es for he, she, it)

- I play football.
- She plays football.

2. Negative

Formula: Subject + **do/does + not + base verb**

- I do not like pizza / I don't like pizza.
- He does not like pizza / He doesn't like pizza.

3. Interrogative (Questions)

Formula: Do/Does + subject + base verb + ?

- Do you like apples?
- Does she live in London?

Remember: only **he, she, it** changes the verb (adds **-s/-es**) in the affirmative. In negatives and questions, the verb returns to the **base form**.
