

English for Children

Study Habits of María

María is a 14-year-old student in secondary school. She always wakes up at 6:30 a.m. to get ready for school. After brushing her teeth, she prepares her uniform. She usually eats breakfast with her family.

At school, María always listens carefully to her teachers. She usually takes notes in her notebook. Sometimes she forgets her homework at home. She never talks during class without permission.

María usually has lunch at 2 p.m. after school. She always helps her mother set the table. Sometimes she prepares a salad by herself. She never drinks soda during lunch.

In the afternoon, María always studies for two hours. She usually does her math homework first. Sometimes she asks her older brother for help. She never leaves her homework for the next day.

María usually reads an English book for thirty minutes. She always tries to learn five new words every day. Sometimes she uses a dictionary to understand difficult words. She never gives up, even when reading is hard.

María always plays basketball on Wednesdays. She usually plays with her best friend Ana. Sometimes they play against other students. They never fight about the results of the game.
