Dear Nick,

Jason and I **(1-stay)** at the Splendor for almost a week already. Guess what! I **(2-take)** scuba lessons in the hotel swimming pool now. Yesterday I had planned to take my first dive from a boat. Unfortunately, by the time we **(3-leave)** the shore, the weather **(4-change)** and my dive **(5-cancel)** The instructor **(6-tell)** me I **(7-have)** a dive as soon as the weather **(8-get)** better.

This morning it was still a little cloudy, so we **(9-decide)** to visit the Castle, one of the most remarkable places here. The trouble is they don't have any road signs here outside of town so when we finally **(10-find)** the Castle, we **(11-drive)** for about an hour. It was fun, though. When we saw the Castle, dark clouds **(12-drift)** over it. It really looked spooky and beautiful. Well, the weather **(13-clear)** now and I think I'm going to have a dive.

See you soon. Love, Al.

The mystery of the vanishing bees

Most people are probably aware that honey, the **(36)** ... sweetener that man has been using for thousands of years, is **(37)** ... by bees; but perhaps fewer of us realise just how important these **(38)** ... creatures are to farmers. Bees pollinate fruit and vegetable crops; it has been said that every third mouthful we eat depends **(39)** ... a bee having pollinated one or more of the ingredients, but now farmers in the United States are **(40)** ... a major problem. American bees are dying - and nobody knows why. Making sure crops are **(41)** ... pollinated has become big **(42)** ... in the United States. Beekeepers load their hives onto huge lorries and transport them **(43)** ... the country to pollinate the farmers' crops. When the bees finish their work in one state and return to their hives, they are taken on to another state. The problem became apparent when the bees **(44)** ... to return to their hives, with some beekeepers losing more than 70 per cent of their insects. It soon became clear that the bees were flying off and dying in huge **(45)** Now the race is on to find the cause and, hopefully, the solution. **(46)** ... , some beekeepers are importing bees from other countries in the hope that they will be **(47)** ... to whatever it is that is killing their American cousins. Only time will **(48)**

Victory Over Censorship

On April 22, US District Judge JL Hendren ordered Cedarville School (49)..... to return the four JK Rowling books of the Harry Potter series back into general (50)..... on the school district's library shelves. In June, the school board had voted 3-to-2 to a motion requiring students to obtain (51)..... permission to check out the books. The board had (52)..... a unanimous decision by the district's library committee. The school board acted after a parent complained about the Harry Potter books. The three board members who voted for the (53)..... said they felt the books prompted children to (54)..... authority. Billy and Mary Nell Counts filed a lawsuit against the school district because they were afraid their daughter would be (55)..... if she were (56)..... as someone who read books the district considered 'evil'.

Nothing Funny About Theft

57 Free unlimited cash – the ultimate dream of most every greedy
58 individual on the planet. It was turned out, however, to be a
59 nightmare though for the Crosdale family of Coventry when they
60 discovered an obliging cash one machine that just couldn't say no. After
61 numerous visits up to the machine, the four of them had accumulated a
62 grand total of £134,410 in stolen some money with which they
63 immediately went on an so extravagant shopping
64 spree. The first of reaction of many people to this story is, I am
65 suspect, like mine. I much laughed. But even if you begin to think about
66 it, you feel like the ashamed children caught with their hands in the
67 proverbial cookie jar. For why should theft be all funny?
68 These people were criminals. And let's be clear about that what
69 they did was a punishable offence. If you once walk past a shop which
70 has had a smashed window, you know it is illegal to take
71 anything. The excuse that the merchandise is as readily available is
72 meaningless. The broken open cash machine it is just like a
73 shattered window. There's nothing stopping for you from taking what you
74 want, but if you do, it is still such a crime.

Swallowed by the sea?

The 'Lost City of Atlantis' was first described (75) Plato, the famous Greek philosopher, Over 2,000 years ago. His story paints a picture of an ancient civilization whose hunger for power over others led to (76)..... final downfall. According to Plato, after a failed attempt to invade Athens, 'the island of Atlantis was swallowed up by the sea and vanished' in only one day. Ever (77) this legendary account was given, philosophers and scientists have taken (78) in many debates and discussions about (79) the city was real or not. Some say that Plato was merely trying to warn people about the dangers of political greed, (80) others believe the island really existed. One American classical scholar, Daniel Dombrowski, claims that Plato wanted to show (81) happened when man attempted to create an 'ideal state'. However, some people have (82) forward the idea that Atlantis could (83)..... been one of the islands we know today as Crete, Santorini, Malta (84) Cyprus. And in their book 'When The Sky Fell', Rand and Rose Flem-Ath suggest that the lost nation could still exist today under the thick snow of Antarctica. Could a once sun-drenched paradise now (85) a frozen tomb? (86)` theory we choose to believe, the myth of Atlantis seems set to remain a subject of debate for quite a (87) time to come!
