

Staying Healthy

Maria wants to be healthy. She eats fresh fruits and vegetables every day. She drinks a lot of water and sleeps eight hours at night. Maria also exercises. She runs in the park in the morning and does yoga in the afternoon.

Sometimes, Maria feels tired. When she is sick, she rests and drinks hot tea. She visits the doctor when she has a fever or a cough. The doctor gives her medicine to feel better.

Maria is happy because she takes care of her body. She has a strong heart and a lot of energy. Maria knows that a healthy life is important!
