## WORD FORMATION

### Adjectives

5 For questions 1–8, read the text below. Use the word given in capitals at the end of some of the lines to form a word that fits in the space in the same line. There is an example at the beginning (0). Write your answers in CAPITAL LETTERS.

Travelling to other countries can be a very (0) PLEASANT experience, but there are many factors that can affect your holiday experience, and this can all start before you even leave for your destination. Waiting in (1)                    lines at the airport can be frustrating, especially if you have (2)                    passengers waiting behind you and all you want to have is a (3)                    and easy trip. Then you get on the plane and realise that you when you sit down, you feel a (4)                    push against your seat. You turn around and notice a small child staring back at you, who then starts screaming because they are intent on being as (5)                    as possible. You try to look at the situation positively, but as you look out of the window, the sky has turned black and very (6)                    and you haven't even taken off yet. It's going to be a great flight. The next move you make is (7)                   ; you will ask to change seats to a more comfortable one. It may cost you (8)                    fees, but it will be worth it. Enjoy your flight!
