Bullying vs Cyberbullying

read each statement then decide if it is True(T) or false(F)

Cyberbullying can only happen face-to-face, while bullying takes place through digital devices such as phones or computers.

T

F

Cyberbullying can happen anytime and anywhere because it uses online platforms.

T

F

Unlike cyberbullying, traditional bullying usually stops when the victim goes home.

T

F

Both bullying and cyberbullying can cause emotional harm and affect a student's well-being.
