

You were my Sun
You _____ my earth
But you _____ all the ways I
_____ you, no
So you _____ a chance
And _____ other plans
But I bet you _____ that they
would come crashing down, no
You don't have to say what you _____
I already know, I _____ out from
him
Now there's just no chance for you
and me
There'll never be
And don't it make you sad about it?
You _____ me you _____ me
Why _____ you leave me all alone?
Now you tell me you need me
When you call me on the phone
Girl, I refuse, you must have me
confused
With some other guy
Your bridges were _____
And now it's your turn to cry
Cry me a river
Cry me a river, girl
Cry me a river
Cry me a river, girl, yeah, yeah
You know that they say
That somethings are better left
unsaid
It wasn't like you only _____ to him
and you know it

(Don't act like you don't know it)
All of these things people _____ me
Keep messing with my head
(Messing with my head)
You should've picked honesty, then
you may not have blown it
(Yeah)

You don't have to say what you _____
(Don't have to say what you did)
I already know, I _____ out from
him
(I already know, uh)
Now there's just no chance for you
and me
There'll never be
(No chance, you and me)
And don't it make you sad about it?

You told me you loved me
Why did you leave me all alone?
(All alone)
Now you tell me you need me
When you call me on the phone
(When you call me on the phone)
Girl, I refuse, you must have me
confused
With some other guy
(I'm not like them, baby)
Your bridges were burned, and now
it's your turn
(It's your turn)
To cry
Cry me a river
(Go on and just)
