

You were my Sun  
You [redacted] my earth  
But you [redacted] all the ways I  
[redacted] you, no  
So you [redacted] a chance  
And [redacted] other plans  
But I bet you [redacted] that they  
would come crashing down, no  
You don't have to say what you [redacted]  
I already know, I [redacted] out from  
him  
Now there's just no chance for you  
and me  
There'll never be  
And don't it make you sad about it?  
You [redacted] me you [redacted] me  
Why [redacted] you leave me all alone?  
Now you tell me you need me  
When you call me on the phone  
Girl, I refuse, you must have me  
confused  
With some other guy  
Your bridges were [redacted]  
And now it's your turn to cry  
Cry me a river  
Cry me a river, girl  
Cry me a river  
Cry me a river, girl, yeah, yeah  
You know that they say  
That somethings are better left  
unsaid  
It wasn't like you only [redacted] to him  
and you know it

(Don't act like you don't know it)  
All of these things people [redacted] me  
Keep messing with my head  
(Messing with my head)  
You should've picked honesty, then  
you may not have blown it  
(Yeah)  
You don't have to say what you [redacted]  
(Don't have to say what you did)  
I already know, I [redacted] out from  
him  
(I already know, uh)  
Now there's just no chance for you  
and me  
There'll never be  
(No chance, you and me)  
And don't it make you sad about it?  
You told me you loved me  
Why did you leave me all alone?  
(All alone)  
Now you tell me you need me  
When you call me on the phone  
(When you call me on the phone)  
Girl, I refuse, you must have me  
confused  
With some other guy  
(I'm not like them, baby)  
Your bridges were burned, and now  
it's your turn  
(It's your turn)  
To cry  
Cry me a river  
(Go on and just)
