

**A. READ THE TEXT AND ANSWER THE QUESTIONS**

Sophie usually wakes up at 7:00 in the morning. She usually eats cereal and drinks milk for breakfast. After breakfast, she usually goes to school by bus with her brother. At school, she usually studies, talks with her friends, and plays basketball during the break. In the afternoon, she usually does her homework and then plays the piano for one hour. In the evening, she usually helps her mother cook dinner and then reads a book before bed.

**But today is different!** Today Sophie is waking up at 9:00 because it is Saturday. She is eating pancakes and drinking orange juice for breakfast. She is not going to school today, she is going to the park with her friends. In the afternoon, she is visiting her grandmother and playing with her little cousins. In the evening, she is eating pizza with her family and she is watching a movie before bed.

1. What does Sophie usually eat and drink for breakfast?
2. What is Sophie eating and drinking today?
3. How does Sophie usually go to school?
4. Where is Sophie going today?
5. What does Sophie usually do in the evening?
6. What is Sophie doing in the evening today?

**B. READ THE TEXT AND WRITE T (True) or F (False)**

Mark usually finishes school at 3:00 in the afternoon. After school, he usually plays football with his friends in the park. When he gets home, he usually drinks orange juice and eats a sandwich. In the evening, he usually does his homework in his room and then reads comic books before bed. At the weekend, he usually visits his grandparents.

**But today is different!** Today Mark is finishing school at 1:00 because the teachers have a meeting. After school, he is playing basketball instead of football. When he gets home, he is drinking lemonade and eating pizza. In the evening, he is not doing his homework. He is watching TV and playing video games with his brother. Later, he is sleeping at his cousin's house because it is Friday.
